PERSONALITY DEVELOPMENT ASSOCIATION

Motto: " DISCOVER THYSELF"

ANNUAL REPORT (2017-18)

ABOUT US

In February 1984, Personality Development Association (PDA) was started by the efforts of Shri K.V.Narayanan along with 5 students. From its modest beginning the, PDA thrives for the overall personality development of the students in MIT to make them better and more refined. The activities and the programs undertaken by PDA aims at the holistic development of the individual.

ACTIVITIES

- PDA library
- Weekly sessions
- Persofest
- Helping hand
- Mock Interview
- PDA Magazine

PDA library

Our PDA Library has total of 3000+ books comprising of writings of renowned personalities like Periyar, Vivekanadhar, Kalki, Shakespeare and many more. It consists of 1700+ Tamil story books, 800+ English story books and 500+ subject books. PDA library also takes care of the Newspaper and magazines subscription and maintenance which is funded by the MIT hostels.

Weekly sessions

Weekly session comprises of training the students with different skills set. Practice leads to perfection and that's what we strive for. After college hours, interested students stay back and are thought various topics including aptitude, communication, current affairs, economics, art, soft skills.

Persofest

Persofest is an intra-college talent hunt feast. Various events ranging from art, literature, campaign to B-plan, idea presentation and the Title event Mr. & Ms. Persofest. The whole idea is to recognise the various talents in the college and encourage people to improve their skills.

Helping Hand

This section of PDA is dedicated to return the favour of gratitude by helping those in need every way possible. Information, guidance in any possible means is done. Monetary helps is also provided

Mock Interview

Before the placement season starts, it is always a tradition to help the students to have a trail to provide them with necessary insights for the placements. Mock interview consist of a round of General Discussion followed by a personal interview taken by accomplished alumni of various streams.

PDA Magazine

This is a platform where the students of MIT express their artistic creativity. Different forms of art like poetry, photography, articles, drawing are featured here.
