The inaugural ceremony of ‘The Association of Production Engineers’ (TAPE) & The student chapter of Indian Institution of Production Engineers (IPE) are commenced on 30th November 2022, with ‘Tamizh Thaaai vazhthu’ as always showing our love and integrity by means of a song.

Head of the Department, Prof.Dr.A.Siddharthan formally welcomed all the dignitaries present on the dais, the staff members & students. He mentioned about the significance of the department and its aims about bringing together a core group of students towards the achievement of a target.

The lighting of lamp then took place by dignitaries, Mr. Anantharaman Prakash (Vice President, Product Engineering, Renault Nissan India), Mr. M. Amaladoss (Director HR, Tempel Precision India), Dr.A.Siddharthan (Head of the Department) and TAPE office bearers Dr.G.B.Bhaskar (President),

Mr.K.Muthukumaran (Vice President), Mr.A.Kamalesh (Chairman), Mr.S.Dhineshkumar (Vice Chairman) and Ms.S.Nimisha (Program Secretary).

The chairman of the TAPE, Mr.A. Kamalesh presented the activities of the association that is being carried on, and summarized us with all the achievements and endeavours of the Association. Dr.G.B.Bhaskar, President TAPE, and the Deputy controller of Examinations, gave a formal introduction of the esteemed Chief guests. He gave a complete introduction about the chief guests of the occasion.

Mr. Anantharaman Prakash, Vice President, Product Engineering, Renault Nissan India, addressed the gathering and described the importance of problem-solving skills and discovering its root cause, by applying the '5-Why' technique. He inculcated the students with the knowledge of 5 P's of Marketing those were, Product, Price, Promotion, Place, and People which are the key marketing elements used to position a business strategically. He mentioned about the importance of production engineers in industries and also the connectivity between all engineering branches. He encouraged the students to get involved in various skills development activities, and gave some insights about internships and placements according to the industry's requirements, to empower student's learning skills.

Mr. M. Amaladoss, Director of Human Resources, Tempel precision India, presented the felicitation address of Indian Institute of Production Engineers (IPE), and an inspiring leader is our Alumnus Dr.APJ.Abdul Kalam, to remind him on the auspicious day, he motivated the students to actively participate in the department activities to get benefited. He mentioned that the course outcomes of the department's syllabus are highly industrial oriented. He encouraged the students about the various new jobs available and highlighted the gap between industries and students. He clearly portrayed the aim of engineers in real life applications towards a sustainable development of the society. He then presented the IPE student membership certificates to the respective class representatives.

The guest of honour Mr.Anantharaman Prakash presented the Life fellowship certificates to the esteemed President of TAPE, Dr. G.B Bhaskar on behalf of all the professors of the department. HOD Dr.A.Siddharthan and the President of TAPE Dr.G.B.Bhaskar presented the mementos to the chief guests, Mr.M.Amaladoss and Mr.Anantharaman Prakash.

The chief guests then initialized the start of IPE by opening the poster of IPE, the new chapter of our department to bring loads of success and achievements in the near future. A video presentation took place that depicted out the history of glory and achievements of Production Technology

Department. It showcased about the various implementations that have been made for the betterment of the student community every year.

At the end, Mr.K.Muthukumaran (Vice President) offered a vote of thanks to all the invited guests and participants for gracing the occasion by their solemn presence. The programme ended with national anthem.

The guest of honours Mr.M.Amaladoss and Mr.Anantharaman Prakash planted a tree sapling as a symbol of remembrance in front of old building Production Technology Department.
