## CIRCULAR

Sub: Anna University – NIRF-2018 Ranking – reg.

\*\*\*

We are all aware that the National Institute Ranking Framework (NIRF) was launched by MHRD in the year 2016 to rank the higher educational institutions in the country to promote competitive excellence among them.

The NIRF Ranking 2018 was released on 3<sup>rd</sup> April 2018 by the MHRD, New Delhi. We are pleased to share the joy on the accomplishment that Anna University has bagged the following ranks among the various Universities / Institutions that took part in the NIRF 2018 in India:

- 4<sup>th</sup> Rank in the University Category
- 6<sup>th</sup> Rank in the Architecture Category
- 8<sup>th</sup> Rank in the Engineering Category
- 10<sup>th</sup> Rank in the Overall Category

It is indeed a remarkable achievement and this was made possible only because of the significant contribution combined with dedication and team work by the staff members and students of this University in teaching, research and extensional activities under various areas of Science and Technology, Engineering, Architecture and Management. The endless hours we have spent working in this University and the professionalism we have shown have yielded good results. I am sure that the days are not too far, when Anna University will become the leader of technical education in the Nation. To accomplish this goal. Let us join together and take a pledge to achieve our mission of becoming the leader of Technical Education in the Nation.

In this connection, on behalf of the authorities of the University and on my own behalf, I wish to congratulate and extend my personal thanks to each and every staff members and students for their unstinted contribution to the University.

I do anticipate the same in the coming years too, many more laurels to our University.
